

## **MONTREAL FETISH WEEKEND 2009**

Are you ready to take a step in a bold new adventure?

The Montreal Fetish Weekend is right around the corner and to celebrate our 5th anniversary we're welcoming over 50 artists, designers, models, photographers and performers from all around the world.

We've also expanded the weekend schedule to 5 incredible parties in 5 nights with workshops, activities and the incredible Montreal after-parties.

With over 150 VIP passes already sold to international attendees you can be certain that this event is the place where you will meet the sexiest fetish people in the world.

It is a spectacular weekend that attracts a diverse group of dedicated local enthusiasts as well as kinky jet-setters offering a quintessential opportunity to let loose and mingle.

At the forefront of this movement is a city known worldwide for its vibrancy and hospitality allowing you to make new and long-lasting friendships with those who love to *dress for pleasure*.

The weekend's themed events assure a diversity of colorful moments, performances, decadent fetish fashions and fabulous socializing. The entire weekend is devoted to the pursuit of an extravagant ideal of sensuality and just plain fun!!!

Stop dreaming about the fantasy... be a part of it!

11am "**Introduction to Rope**" with [RiggerJay](#) (Boston)

Rope play has been entering into the spotlight for kink enthusiasts during the past few years; it is even making headway into popular culture. There are lots of great sources online if you know where to look but this can be daunting. RiggerJay, a Boston based rope enthusiast, will help you get going with a hands-on course to teach you some basics of rope play and how to stay safe. The main goal of the class is to equip you with new skills that you can take home and make use of right away.

12am "Lunch" & social gathering

12am "**Fetish Photography**" with [Kristine](#) (Boston)

Photographer Miss Studio-X and her favorite friend and fetish model Jade Vixen present to you an intro workshop on shooting latex fetish photos. Going over some basic lighting setups, and some tips and tricks, Studio-X will help you get started in shooting yourself and playmates in your best garb right at home. And for those who hope to take their fetish photography even further, Miss X will address things like what lights to buy, basic camera settings, model posing, things to look out for, etc. And [Jade Vixen](#) will model and also speak about things from the model's perspective. Q & A period, if time allows!

1pm "**The Great Escape**" with [RiggerJay](#) from Boston  
What could be more fun than playing games with rope?! Come to this interactive class and find out just how much rope fun you can have.

Do you like to test your ties against a bottom to see if they are securely bound? Do you enjoy struggling and wiggling out of rope ties?

If you answered yes to either of these questions, then this is the class for you! Participate in a series of timed events in which your skills of tying and escaping will be challenged. Much can be learned from taking part in and/or watching others. No prerequisite to attend. The workshop is recommended to all that have an interest in rope and a willingness to have fun. Participation not required, watching the games is quite an amusing experience as well!

2pm "**Control and Domination by pressure point**" with [Dunter](#) (Montreal)

Physical Domination Skill Pressure point displacement knowledge originates from ancient Chinese martial arts training. This anatomical advantage skill continues to be taught today. The pressure points are executed by pressing specific body parts to gain a certain desired reaction of physical control that may or may not illicit pain depending on the person's resistance. This method of control can be used effortlessly over a person without using brute strength.

3pm "**Breath Play**" with [Contessa Alura](#) (Montreal)

- 1) sensations that make this type of play enjoyable
- 2) the risks
- 3) history negative and positive
- 4) demo with a slave (I have someone)
- 5) the science of, the body cues, biology, timing, etc.
- 6) explanation of how to do it
- 7) hands on activity (partners cover each others mouths etc.)
- 8) benefit of having first aid training
- 9) hand out to go home with

BIO: She is Contessa Alura, a Professional Dominatrix & Lifestyle Domina in Montreal. She has been in the BDSM/fetish scene for over 5 years now, but privately for much longer. She has traveled all over the world attending various kink events learning about different communities, offering workshops to teach others how to explore their many fetishes, captivating audiences with her performances, and simply enjoying BDSM play and work in vast cultural contexts. Her message is simple: "Be whatever is in you to be, participate whether publicly or solitary, to build and support alternative communities

where people with similar interests can come together and have fun in a safe and positive environment.

4pm "**Foiling the Escape Artist**" with [Dov](#) (New York)

Working with Body Mechanics to Remove Advantages Preventing or delaying escape from rope bondage: This is a hands on workshop exploring various aspects of dealing with escape artist rope bottoms, and why just because you can tie a rope harness doesn't mean no one can escape it. We will be examining and working with various ties and strategies to understand how and why there are or aren't effective and how to make your work more escape proof.

5pm "**Bondage for punishment**" with [Dov](#) (New York)

Bondage for punishment and pain Who said rope had to be all about being nice and sensual? This class focuses on nasty things you can do with rope to punish and manipulate your subject. Various prisoner style ties and endurance positions will be explored – as well as positions designed to hold your subject in place so they don't go anywhere as you administer their just rewards. Show-up ready to tie / with bottom/ with rope
