

MONTREAL FETISH WEEKEND :: SUNDAY SEPT.6th

"ROCOCO KINK MASKED BALL & PLAY PARTY"

The Rococo era was a time of extremes and the Rococo Kink Masked Ball and Play-Party is a modern day interpretation of this eyes wide shut affair which takes place at Le Medley, 1170 St-Denis (10pm - 3am)

Admission: VIP (included) / tickets available at the door 40\$ (pre-sale 30\$ in store at [Boutique Sexe-Cité](#))

"La Nuit des Masques" turns into thematic BAL ROCOCO KINK for its third presentation at Medley. The Rococo is an elegant style of 18th century which, according to our own interpretation; push fashion to luxurious and fanciful heights.

Presented as part of the 5th annual Montreal Fetish Weekend, this magic night full of colors, atmospheres and games offers a unique opportunity to experiment the magic of costumes and especially the anonymity offered by a mask.

The evening starts with a presentation of alternative fashion (23 h 30), starring Romy Noel, Vile Design, Création SIS, Aeternis, Flamme Noire, Maléfice, Oiszo Mode, René Massoonian & Black Feather Couture.

You will experience unexpected moments with our artists. "La Porte Rouge", will provide an amazing interactive exhibit "games" stations ... to see and touch! Come experience games of rope and Shibari suspension play with Dunter. A photo space will be available for those who wish to capture the moment.

Let yourself be enchanted by the performances of FantasmaGorie, Miss Yuthica, Perish, Maléfice & the Undead, MontrealDoms, Madeleine Horn, Katja Lynx and several others as Dj Faith et his guests Xris Smack!, Jade Vixen, Jack Phoenix and Miss Lydie provide rich and varied music throughout the evening. A great opportunity to explore your fantasies by taking part in a large deployment of art, entertainment and fashion.
